

COLOR CHART

PRE-ENGINEERED BUILDINGS

DOORS

STANDARD COLORS

SILICONIZED POLYESTER

- Final color selection should be made from metal color chips.
- Polar White is a Straight Polyester.
- Polar White and High Gloss White do not have a chalk and fade warranty.
- Some standard colors may require longer lead times.

NON-STANDARD COLORS

SILICONIZED POLYESTER

- Final color selection should be made from metal color chips.
- Non-standard colors may require extended lead times and additional charges.
- All colors except Patriot Red have a 40-year film integrity limited warranty.
- Color matching is also available for sizable orders.

For complete performance specifications, product limitations and disclaimers please consult DBCI's paint warranties. Upon receipt of payment in full, these warranties are available by request for all painted products. Sample copies can be found at www.dbci.com or contact your DBCI sales representative.
